RECOMMENDATION LETTER FOR STEIN ELDON ADAM BEALS

To Whom It May Concern,

I am writing this recommendation letter on behalf of Stein Eldon Adam Beals, who has been working with me as an English teacher at Apollo English Vietnam since 4 September 2024. During his tenure with us, Stein has displayed remarkable professionalism, exceptional teaching skills, and dedication to his work.

Stein consistently delivers engaging and effective English language lessons that cater to the diverse learning needs of our students. His classes are well-structured, interactive, and designed to develop students' language skills, critical thinking, and creativity. He always goes the extra mile to ensure that students make progress and achieve their learning goals.

Stein is an excellent team player who contributes to our positive work culture. He collaborates effectively with his colleagues, provides constructive feedback, and takes an active role in improving our educational programs. He also demonstrates excellent communication and interpersonal skills, building rapport with students, parents, and colleagues alike.

Overall, I highly recommend Stein for any English teaching position. He is a dedicated and innovative educator with a passion for teaching and a commitment to providing the highest quality education. I am confident that he will make a positive contribution to any educational institution he joins.
